

Christ In Us

MONTH

January

GRADE

High School

OVERVIEW

In December, we will be reviewing and discussing the remainder of the Sacraments (Penance, Anointing of the Sick, Matrimony, Holy Orders). For this month, we are focusing on the topics of “How we celebrate God’s forgiveness and healing” and “How we are strengthened for service to God and others”. For our lesson this month, I want you dig a bit deeper into the chapters when you reflect upon these sacraments by looking into the basis and/or meaning of the sacraments and the process or way these sacraments are obtained. Please make sure to review the chapters and go over all the end of the chapter questions.

For this month, please follow the below plan:

1. Think about your Faith (being Catholic) and specifically what the sacraments mean.
2. Each of you have experienced the sacrament of Penance/Reconciliation. Think about your First Penance. What do you remember about that day, experience, and your overall experience? What did it mean to you to receive this sacrament. Discuss your responses with your family and then further this with how your Penance experiences now at your age compare to your First Penance (how is it the same and different?).
3. Think about your Faith and specifically your thoughts about vocations. At this point in time, what do you feel you are being called to be (your vocation)? Discuss your thoughts about your future in terms of what you think you may want to pursue regarding future jobs as well as your commitment to your religious life.
4. After discussing your thoughts about future vocations, read the following "Vocation Commitment".

"Knowing that God is calling me into a vocation of service, I commit to.....
 - Spending one minute each day in silence, to listen o God's voice calling to me
 - Remaining open to whatever vocation God is calling me to—marriage,
