

How are we strengthened for service to God and others?

Review

With your child, reread the Lesson 10 Read to Me in the student text.

Plan

Review your family's schedule for the week, and choose one activity from the list below to complete as time allows.

Do

Option 1:

Henry and Cesar talked about giving toys they don't use to others. Have you ever received a gently used toy or hand-me-down from a friend or family member? How did it make you feel when someone shared something special with you? Discuss together.

Option 2:

Recall that Cesar was collecting toys and school supplies to give to those in need. Have your child consider giving toys he or she no longer uses that are in good condition to a local drive or charity. Take a photo of your child giving-in-action, or invite your child to create artwork that depicts giving to others. Thank God for all that you are blessed with, and for the opportunity to share your blessings with others.

Option 3:

Cesar and his family collected toys and school supplies to give to those who needed them. Explain to your child that when we give, we receive. Together, plan your own event where you can gather toys and supplies to give to others. Carry out your idea.
