

Lesson 11

How do we know God loves us?

Review

With your child, reread the Lesson 11 Read to Me in the student text.

Plan

Review your family's schedule for the week, and choose one activity from the list below to complete as time allows.

Option 1:

Remind your child that the city of Fairview was preparing to celebrate Founders' Day. Is there a town holiday that is celebrated where you live? Together, talk about a special day that you and your neighbors celebrate together.

Option 2:

Freddy and Ana went to the school library to do a special Founders' Day project with their classmates. With your child, research a special day that is celebrated locally. Identify key people and symbols. Take a photo of your child as you explore your local history, or invite your child to create artwork that shows his or her favorite part of the research process. Say a prayer of thanks to God for those extraordinary people who came before us.

Option 3:

Freddy and Ana had a special program at their school. The first-grade students and the fifth-grade students worked together. Consider getting together with a local family with older children or older family members for a special activity. Carry out your idea.
