

# Lesson 13

## How does God teach us to love?

### Review

With your child, reread the Lesson 13 Read to Me in the student text.

### Plan

Review your family's schedule for the week, and choose one activity from the list below to complete as time allows.

### Do

#### Option 1:

Remind your child that Ana and her dad liked to kayak around the lake in Fairview. Then recall that Tomás shared that in past history, people enjoyed boating there, too. Together, share a conversation about popular activities in your town.

#### Option 2:

The people of Fairview saw the beauty of God's creation every day. They used symbols like animals and a handshake to share the beauty on their city's crest. Invite your child to use symbols and art supplies to design his or her own town crest. Thank God together for a beautiful place to live.

#### Option 3:

Darla said that flowers showed people the beauty of Fairview. Together, find a green space in your own yard or town where you could plant flowers to share beauty with others. Carry out your idea.

### Create

Use the space below to tell about what your family did together.
