Gr K-6

Dear Jesus, When you walked this earth, you showed that you love little children. We know that you love us as your own children. It is hard for us to hear that some people do not treat children the way you did and hurt children by their words and actions. Help us to learn how to protect ourselves, and others, from harm. Help us to forgive those who have harmed children in the past. Bless all those who teach us and work to keep us safe. Amen.

Grade 7-12

Jesus our brother, When you walked this earth, you showed that you love all children and we know that you love us as your own. It is hard for us to know that some people do not respect children and do not treat them with dignity and love the way you did: they hurt them by their words and actions. Help us to learn how to protect ourselves, and others, from harm. Help us to forgive those who have harmed children and youth in the past. Bless all those who teach us and work to keep us safe. Amen.
